

HEIRENS FAILS IN ATTEMPT TO HANG SELF

**Triple Murderer, Awaiting
Punishment For Crimes,
Fashions Noose From
Bedsheet**

ACES LIFE IN PRISON

Chicago, Sept. 5.—(P)—William
Heirens, triple murderer awaiting
determination of his punish-
ment, tried unsuccessfully to hang
himself in the Cook county (Chi-
ago) jail early today, his guard
ported.

The guard informed Warden
Frank Sain that when he came on
duty at 1 a. m. Heirens was hang-
ing in a noose fashioned crudely
from a bed sheet. The guard cut
him down before the youth lost
consciousness.

Heirens' attempt to kill himself
as his third since his capture and
confession of three killings and
more than a score of burglaries
and assaults. Previously he had
tried to break open head wounds in
the hope that he might bleed to
death. He also had collected a
box of aspirin tablets in the be-
lief that a large overdose might
kill him.

The 17-year-old student's newest
tempt on his life came as the
state prepared to close its presen-
tation of evidence upon which
chief Justice Harold G. Ward of
the criminal court will determine
the penalty to be levied against
him.

The state reportedly is not going
ask for the death penalty, but
it recommends that the Univer-
sity of Chicago sophomore with the
real personality be given a
series of sentences which will in-
crease his imprisonment for the rest
of his life.

Heirens, without any apparent
motivation, yesterday entered pleas
of guilty to 29 indictments, includ-
ing kidnapping of little Suzanne
Spelman and the murders of two
Chicago women.

The state then began offering
testimony in connection with all
the crimes, including 26 indict-
ments charging burglary, robbery
and assault. Although Heirens en-
tered guilty pleas, the law requires
evidence to present at least a
prima facie case, enough evidence
to establish a case against the de-
fendant.

Counsel for the husky, black-
dated youth, whose criminal car-
er dates back to his grade
school days, said he would not take
a stand and that the defense
could offer no testimony in miti-
gation.

Heirens' 118-page confession, re-
telling details of the three murders
and other crimes, was to be read
today's hearing and evidence,
ostly by stipulation, in many
grizzly cases, remained to be in-
duced. The state reportedly is
framing from asking for the
death penalty in exchange for the
testimony made last August 6.

HILD KEEPS BABE OUT THROUGH NIGHT

Erie, Sept. 5.—(P)—Parents and
friends of a 12-year old girl and
six-month-old baby she was
staying with, were frantic today
to get the child and her baby
out of the home and then
found them at noon yesterday
walking on an Erie street.

Police said the girl told them
she took the baby to a movie in
the evening, then was afraid to
leave the infant home because it
was so late. So the children spent
the night in a hallway at the home
of the girl's grandmother.

OPA SET-UP

Pittsburgh, Sept. 5.—(P)—Plans
continue to present OPA per-
sonnel set-up were disclosed today
by Thomas E. Murray, acting dis-
trict director, who said work re-
lations caused by decontrol would
be offset by "permissible adjust-
ments in other commodities." In
statement, Murray said: "The
strict rule has not been advised
and contemplated reduction in
price to be effective now or in the
near future."

BORN IN AUTOMOBILE

Erie, Sept. 5.—(P)—A baby
thought was born yesterday in
an automobile of Mr. and Mrs.
Vin Wolf, of Erie, as the couple
drove toward Hamot hospital. The
child occurred just outside the
spinal doors and a student nurse,
Anna Jane Trons of Smethport,
assisted Mrs. Wolf. Mother and
child were reported "doing
fine."

President Rules Out Chance Of Special Session This Year

Washington, Sept. 5.—(P)—Pres-
ident Truman today virtually
ruled out any possibility of a spe-
cial session of congress this year.
He told his first news confer-
ence since returning from an 18-
day vacation cruise that he knew
no emergency that would re-
quire such a session before the
winter recesses.

In response to further
questioning, he said he had given
consideration to a special ses-
sion after that time. Thus, con-
gress apparently will not get back
harness until the new session
opens in January.

The subject came up during a
discussion of politics. Mr. Tru-
man said he thought all members
congress ought to have a
chance to devote their time to
campaigning right up to election
day.

He also endorsed the New York
Democratic ticket headed by Sen-
ator Mead for Governor and former
Gov. Herbert Lehman for sen-
ator. Mr. Truman said he intend-
ed to give the candidates his
support and predicted their elec-
tion.

The president also told report-
ers:

1. He is leaving government
negotiations on the maritime
strike to Secretary of Labor Sch-
wellenbach and will not intervene
until the matter is put before him.

2. The Allies are making plans
to bring Nazi industrialists to
trial as war criminals.

3. He is leaving government
of 100,000 Jews to Palestine and
an American-British group is
working on the problem.

Empty Pens Means Empty Plates

A few days ago these pens at Chicago's stockyards were jammed with cattle, and trucks were lined up waiting to unload more. That was during the time between price ceilings. Now the pens are almost empty again, there is just a small run of stock daily, and packers are predicting another serious meat shortage.

Utica, N. Y., Rector Named New Bishop of Erie Diocese

Rev. Harold E. Sawyer, 55, rector of Grace Episcopal church of
Utica, N. Y., for the past 22 years, yesterday afternoon was elected
bishop of the Erie Diocese of the Episcopal Church at a special con-
vention held in the Erie St. Paul's Cathedral for the purpose of electing
a successor to Rt. Rev. E. Pinkney Wroth, who died last July.

Greeks Ready To Reply To Denunciation

Lake Success, N. Y., Sept. 5.—(P)—Vassili Dendramis,
Greek representative to the
United Nations, charged today
that the Soviet Union is carrying
on a "war of nerves" against
Greece, and that the Greek
denied Russian accusations
that Greece is threatening
the peace of the Balkans.

Dendramis appeared before
the United Nations Security
Council to present Greece's
answer to the charges made
yesterday by Dmitri Manuil-
sky, foreign minister of the
Soviet Union, and outlined
earlier by Andrei A. Gromyko,
the Soviet Union delegate
to the council.

24 Die In Crash Of Trans-Luxury Liner

San Francisco, Sept. 5.—(P)—
Trans-Luxury Airlines reported to-
day one of its two-engine trans-
port planes crashed three miles
from Elko, Nev., around 2 a. m.,
killing 21 passengers and
the crew of three.

Airline officials here could as-
cribe no reason for the crash. The
plane was enroute from New York
City to San Francisco.

Reports here said a woman and
a baby survived the crash and are
under treatment in an Elko hos-
pital.

The plane, a DC-3, was piloted
by a Captain Campbell, of Miami,
Fla., with others of the crew a
co-pilot known here only as
Leatherman, of New York City,
and Marjorie Cox of San Fran-
cisco, stewardess.

PLAN SANITY TEST

Indiana, Pa., Sept. 5.—(P)—
District Attorney E. M. Clark said
today that Pete Prenni, 26, who
admitted in a signed statement the
bludgeoning of a 72-year-old
neighbor woman in nearby Foster's
Mine last Saturday night, would
be given a sanity examination by
a Torrance State Hospital alienist.

Radical-Communist IS IN LEAD IN CHILE

Santiago, Chile, Sept. 5.—(P)—
With a substantial lead accumu-
lating on the basis of expanding
returns, radical-Communist Gab-
riel Gonzalez Videla claimed vic-
tory today in Chile's presidential
election but headquarters of Con-
servative runner-up Eduardo Cruz
Coke steadfastly refused to con-
cede.

Political tension mounted as
Gonzalez accused Cruz of "dis-
honorable intentions" and summoned
a mass meeting of his followers
for Sunday "to make necessary
decisions for insuring respect and
fulfillment of the electoral ver-
dict."

POWER UNION TURNS DOWN ARBITRATION

**Duquesne Proposal to Avert
Threatened Strike Is
Rejected By Inde-
pendent Union**

PLAN FOR EMERGENCY

Pittsburgh, Sept. 5.—(P)—A
Duquesne Light Company proposal
for arbitration of issues in a
threatened power strike here was
rejected today by an independent
union of its employees.

Union President George L. Muel-
ler told Mayor David L. Lawrence,
mediator in the dispute:

"The union is ready and willing
at all times to abide by the terms
of the contract and negotiate in
good faith."

The union also turned down a
proposal for a fact-finding board
to attempt settlement.

Officials of the Duquesne Light
Co. last night offered to submit
their deadlocked contract dispute
with an independent union of em-
ployees to either settlement meth-
od preferred by the workers.

Immediate union reaction was
not forthcoming but Mueller said
acceptance or rejection lay with
the union membership after action
by the strike committee and general
committee.

The union rank and file Tues-
day night authorized a strike "as
soon as possible" but left the de-
cision to the strike committee. Muel-
ler said the strike could start
within a few days or in a week
or two.

Meanwhile, the city prepared
with army aid, for emergency op-
eration of essential services. May-
or David L. Lawrence arranged
to obtain 27 Diesel powered gen-
erators from the army for use
at hospitals and water pumping
stations. The city's 27 swimming
pools were filled with drinking
water to supply a tiny part of the
area's 85 million gallon daily re-
quirements.

May Willing To Submit To Questioning

Washington, Sept. 5.—(P)—
The army today cleared the
Garson munitions combine of
any responsibility for defect-
ive 4.2 mortar shells which
killed 38 American soldiers and
injured 127. A war depart-
ment report attributing the
shell defects to faulty fuses
was given to the senate war
investigating committee,
which received from Rep. May
(D-Ky) today an offer to sub-
mit to questioning in connec-
tion with his activities in be-
half of the Garson interests.

SOVIETS URGE REJECTION OF ITALIAN CLAIM

Paris, Sept. 5.—(P)—Rus-
sian Foreign Minister V. M.
Molotov returned to Paris to-
day after stopping over at
Berlin, the Russian embassy
said. Molotov flew to Mos-
cow last Saturday for confer-
ences.

CEILINGS ARE ERASED UPON MORE ARTICLES

Washington, Sept. 5.—(P)—
OPA erased ceilings from low-
priced lipstick, toothpaste and
other cosmetics today, but put the
lid back on meat at wholesale.

This is the last step in prepara-
tion for the return of butcher
shop ceilings on Monday.

Simultaneously, OPA promised
full-scale warfare on the meat
ing a sharp watch on companies
black market, declaring it is keep-
ing in New York and Chicago which
are holding big stocks bought at
"very high prices."

On still another price front, the
decontrol board took a second
look at dining-room robes and
other clothing, deciding again
that the cost of those items is not
"unreasonable." A spokesman for
the panel said it does not plan,
at present, to call a hearing on
the subject. That would be the
first step toward any recon-
trol action.

The three members are holding
their first full session since Aug-
ust 20, when they ordered ceilings
put back on meats, fats and oils,
but not on dairy products and
grain. Chairman Roy L. Thomp-
son at that time notified the dairy
industry that ceilings would be
restored if prices "move upward
from here on out."

OPA expects to announce its
retail prices for beef, lamb, pork
and veal this weekend. They will
average about three cents a pound

Methodists Holding Business Sessions

Meadville, Sept. 5.—(P)—Lay
delegates and ministers from 224
congregations in northwestern
Pennsylvania and New York held
business sessions today at the
annual Erie Methodist confer-
ence meeting.

Following dinner at Brooks
Hall last night, the conference
met at the Stone Methodist
church here for the sacrament of
the Lord's Supper. Dr. Frank S.
McKnight spoke on "A Salute to
The Valiant."

Yesterday afternoon, committee
and board hearings were held and
Bishop James H. Straughn of
Pittsburgh led a devotional period
in Ford Memorial chapel on the
Allegheny College campus.

Parents in Chester Want Kindergarten

Chester, Sept. 5.—(P)—Pickets
praded again today before the
Dewey-Mann school where some
300 parents have refused to send
their children to classes until the
Chester school board complies
with demand for establishment
of a kindergarten.

Superintendent of Schools Her-
man Fritz said the school is over-
crowded and it is impossible to
provide accommodations for a
kindergarten. However, Attorney
Fred Larkin, spokesman for the
parents group, said the children
would be withheld for classes un-
til their demand is met.

WEIRD LOOKING MEAT ANIMALS ARE UNLOADED AT STOCKYARDS

Chicago, Sept. 5.—(P)—Some
weird looking meat animals were
stumbling into the stockyards to-
day as arrivals at all livestock
markets declined drastically in the
first week of revived OPA ceilings
on hogs and cattle.

Most of the cattle received here
for slaughter were dried up cows,
offering a highly unappetizing
type of meat for consumers. They
were practically lost in the great
union stockyards which last week
were jammed with hawking steers.
All former low volume Chicago
records were broken yesterday
when only 1,200 cattle, 700 hogs
and 800 sheep and lambs arrived.
Nearly all of the 8,000 pens were
empty.

An equally sorry lot of hogs
was being unloaded. These con-
sisted of emaciated sows, boars
and inferior grades of pigs. Live-
stock observers said there was not
one good pork chop in the bunch.

Similar unimpressive runs were
reported at other marketing cen-
ters. A few small concentrations
in the mid-west did not re-
ceive any animals at all, traders
stated. As the receipts dwindled

Calcutta Is Tense As Riots Continue

Calcutta, Sept. 5.—(P)—The
bodies of two persons, one stabbed
and the other beaten, were found
by police in north and central Cal-
cutta today as this sprawling city
fearfully anticipated additional
communal rioting between Mos-
lems and Hindus.

The Calcutta Ambulance Corps
said it had handled an additional
eight stabbings cases today, mainly
in the north and central parts of
the city, the scenes of some of the
most brutal massacres during the
previous communal bloodshed. Po-
lice strengthened their patrols and
one youth was killed last night
when a mob attacked a police
picket with daggers.

Still recovering from an orgy
of murder, looting and arson which
terrorized the teeming city's mil-
lions last month, Calcutta remain-
ed tense, with similar disturbances
in other Indian cities heightening
the apprehension.

WALKOUT OF AFL SEAMEN STARTS IN NEW YORK CITY

SOVIETS URGE REJECTION OF ITALIAN CLAIM

Paris, Sept. 5.—(P)—Rus-

day after stopping over at

RUSSIAN MINISTER SAYS YUGOSLAVIA HAS UNQUESTION- ABLE RIGHT TO DISPUTED TRIESTE

Paris, Sept. 5.—(P)—Andreï Y.
Vishinsky, deputy foreign minis-
ter, called on the 21-nation peace
conference today to "reject em-
phatically" Italian claims to dis-
puted Trieste.

Outlining Soviet Russia's stand
on the leading territorial issue be-
fore the post-war conference, Vish-
insky said that Yugoslavia has an
"unquestionable right" to Trieste.
He said the Soviet Union was sup-
porting the big four agreement to
make a free territory of the port
only because of "political consid-
eration."

The Russian diplomat, in a
speech before the Italian political
and territorial commission, ac-
cused Ivanoe Bonomi, former Ital-
ian premier, of "cloaking annexa-
tions with the flag of justice" in
claiming the important Adriatic
port for Italy.

Vishinsky made it plain that
Russia would abide by the Big
Four foreign ministers decision to
create the free territory of Trieste
but he said sharply:

"Yugoslavia has an unquestion-
able right to the port and town of
Trieste. The decision of the fore-
ign ministers contains a minimum
of justice. In our opinion it should
contain a maximum of justice."

"But sometimes it is not pos-
sible to have a maximum of just-
ice in dealing with political con-
siderations. Sometimes when we
are dealing with politics two and
two don't make four—sometimes
they add up to five."

Russia's voice in the Trieste dis-
pute was heard on the fourth day
of debate on the Istrian settle-
ments. Italy and Yugoslavia have
filed conflicting claims for the
port, and Sen. Tom Connally (D-
Tex.) yesterday declared the Unit-
ed States wants to see an auton-
omous Trieste government "that
will command respect of both
Yugoslavia and Trieste."

Alteration Permit Refused For Central Fire Station At Sept. Meeting of Council

Council is unable to fathom the
workings of the CPA. OPA
of FHA or whatever agency passes
on permits for repairs to build-
ings. Twice the alphabetical
board has refused a permit to
bake alterations desired in the
Central Fire Station. The old
building is in bad shape with plas-

tower for the alarm bell threaten-

cracks appearing in the walls. The
need is great and the tower is
especially dangerous as it may
fall and injure someone as it
would be heavy enough to pen-
etrate the building and might
smash up some of the re apparat-
us. Council last night voted down
a motion to make repairs in spite
of the red tape outfit in Pittsburgh
as the body did not desire to "stick
its neck out" for a possible fine.

The finance committee reported
the following sums in the various
funds: General, \$67,848.83; sink-
ing fund, \$4,851.79; parks, \$1-
037.54. Bills in the sum of \$14-
502.81 were reported and will be
paid when properly approved by
the various committees.

Two petitions asking for pave-
ments on Fifth street west from
Poplar street and Lexington ave-
nue from Parker street were both
referred to the street and new
construction committees.

Residents of Spring street were
present again urging that some-
thing be done to get that street
in good condition before winter
arrives. The street committee re-
ported that an inspection had been
made and a tentative plan dis-
cussed to make the street usable
at all seasons of the year. This
will entail some construction and
condemnation of some property.
The cost would amount to about
\$5,500, according to Engineer C.
W. Barwis. The street committee,
engineer, borough solicitor will in-
vestigate the street next Tuesday
evening and then hear from the
residents of the street at a meet-
ing to be held in the council cham-
ber at 7:30 p. m.

Truck Crash Raises Jurisdiction Issue

Hanover, Sept. 5.—(P)—
A truck trailer that skidded
off a highway near here pro-
vided police of two states with a
jurisdictional headache.

The vehicle landed across
the Maryland - Pennsylvania
border yesterday with every-
thing but the rear wheels in
Pennsylvania.

Police disputed jurisdiction
over the accident, but finally
agreed it was Pennsylvania's
case since most of the ton-
nage was in the Keystone state.

CEILINGS ARE ERASED UPON MORE ARTICLES

Washington, Sept. 5.—(P)—
OPA erased ceilings from low-
priced lipstick, toothpaste and
other cosmetics today, but put the
lid back on meat at wholesale.

This is the last step in prepara-
tion for the return of butcher
shop ceilings on Monday.

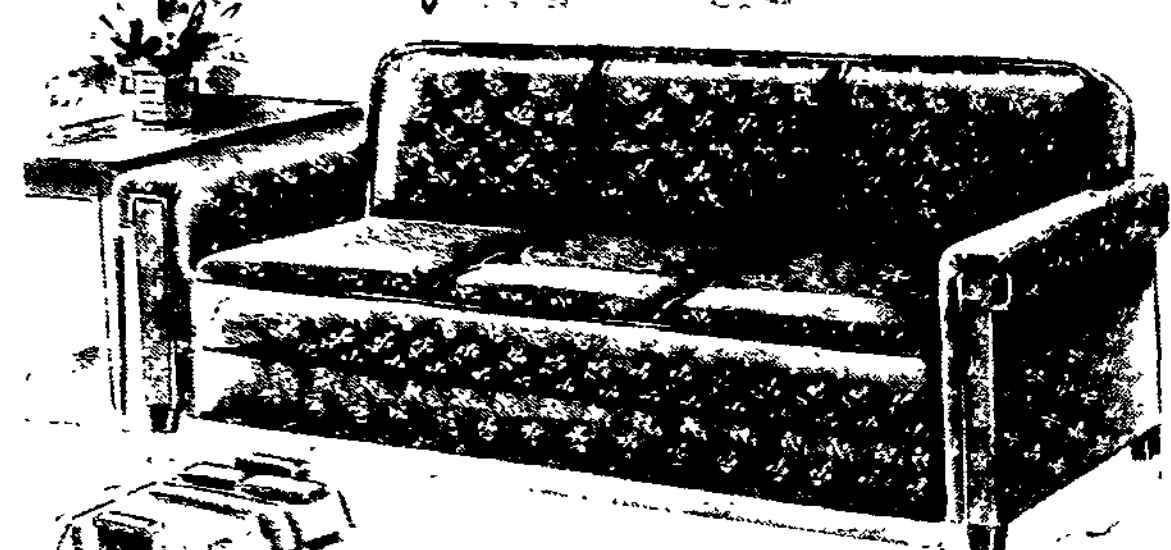

Simultaneously, OPA promised
full-scale warfare on the meat
ing a sharp watch on companies
black market, declaring it is keep-
ing in New York and Chicago which
are holding big stocks bought at
"very high prices."

On still another price front, the
decontrol board took a second
look at dining-room robes and
other clothing, deciding again
that the cost of those items is not
"unreasonable." A spokesman for
the panel said it does not plan,
at present, to call a hearing on
the subject. That would be the
first step toward any recon-
trol action.

The three members are holding
their first full session since Aug-
ust 20, when they ordered ceilings
put back on meats, fats and oils,
but not on dairy products and
grain. Chairman Roy L. Thomp-
son at that time notified the dairy
industry that ceilings would be
restored if prices "move upward
from here on out."

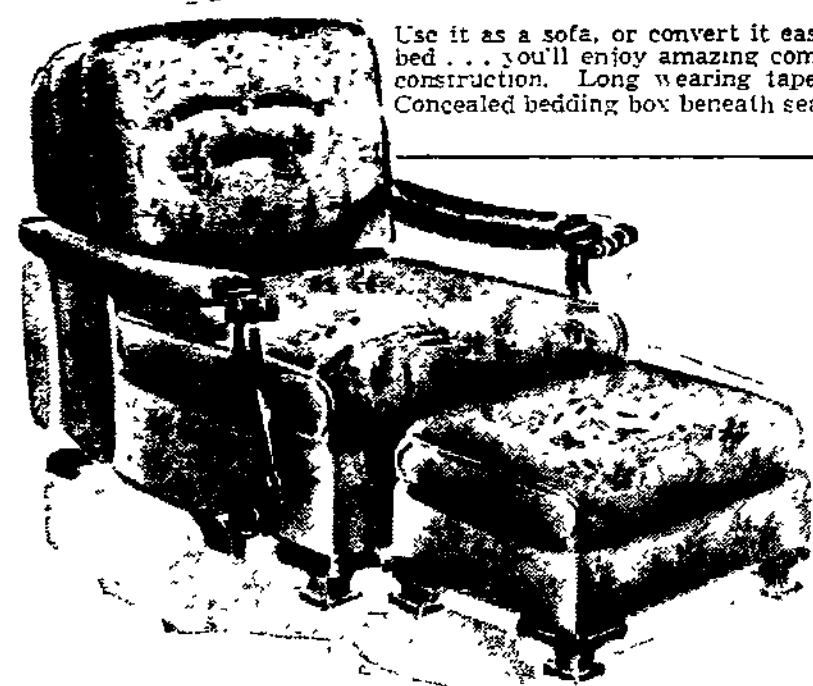

OPA expects to announce its
retail prices for beef, lamb, pork
and veal this weekend. They will
average about three cents a pound

Clarendon To Stage Annual Celebration

Clarendon firemen, who in years passed have staged many fine celebrations, will put on their first big celebration since the department acquired its motorized equipment. It will be held next Saturday, September 7th, and the members of the department have been hard at work on plans for some time past. They have secured a good line up of visiting groups from towns in this section to take part in the parade to be held at 7 o'clock Saturday evening. The parade will cover the principal streets of the town and big crowd is expected to turn out. Following the parade, a ball will be staged in the Odd Fellows hall when round and square dancing will be featured with a good orchestra furnishing the music. Everyone in this section is invited to see the parade and attend the ball which will be an enjoyable event.

The Clarendon Department is one of the most efficient in the county and has done some fine work in holding down fire losses.

Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 4 and 7 to 9 p. m.

WILLIAM D. MITCHELL
Corry Journal: William D. Mitchell, 78, well-known retired farmer of this district, died Wednesday morning at 8:05 o'clock at his home, 466 East South street. Mr. Mitchell had been ill since July, when he suffered a stroke.

The deceased operated a large farm between East Branch and Spring Creek for thirty-two years, retiring three years ago and moving to this city when he purchased the former Merkle property, where he has since made his home.

Surviving are his wife, Bertha Smith Mitchell, and fourteen children, including the following sons: Ora and Paul, of Spring Creek; Leon, Bear Lake; Howard, of Dunkirk; N. Y.; Milton, of Forestville, N. Y.; and William, of Corry; and eight daughters: Mrs. E. R. Smith, Mrs. George Patterson, Miss Jessie Mitchell, of Corry; Mrs. George Lindgren and Mrs. Ross Wensar, of Dunkirk, N. Y.; Mrs. Emory Jordan, of Bear Lake; Mrs. Carl Christensen, of Hinsdale, N. Y.; Mrs. Lillian Warner, of Erie. There are forty-two grandchildren and ten great-grandchildren. Mr. Mitchell is also survived by three sisters: Mrs. A. W. Alcorn, of Corry; Mrs. John Anderson, of Oil City; and Mrs. George Hadlock, of Oconto, Wis.

Friends may call at the family home until Sunday noon, at which time the body will be taken to the Cobbs Corner church, where services will be held at three o'clock. Burial will be made in East Branch cemetery.

GEORGE L. COOK
George L. Cook, born in Warren 74 years ago, died at his home in Pleasant township at 10:30 a. m. Wednesday. In his earlier years he operated a bicycle shop on Pennsylvania avenue, working last year and for many years at the Pickett Hardware Company. He also worked for Oakland Cemetery for some years and, for the past four years, had been employed by the Pennsylvania Furnace and Iron Company. His wife preceded him in death 12 years ago and he leaves no immediate survivors.

Services in his memory will be held at two o'clock Friday afternoon at the Lutz Funeral Home, conducted by Rev. J. C. Wygant, of First Evangelical church. Interment will be made in Oakland cemetery.

MARGARET M. LYON
Services in memory of Mrs. Margaret M. Lyon, 622 Conewago avenue, were held at two o'clock Wednesday afternoon at the Peterson Funeral Home, conducted by her pastor, the Rev. Milton G. Perry, pastor of First Baptist church. Interment was made in Pine Grove cemetery at Russell, with the following serving as bearers: Robert and Ray Foster, Angelo Bruno, Jerry Landers, Francis Conway and Joseph Gibson.

Attending the rites from away were Dennis Lyon, Mrs. Nora Taylor, Mrs. Bernice Arnold and Jerome Lyon, all of Falconer, N. Y.

CARD OF THANKS
We wish to express our thanks and appreciation to our many relatives, neighbors, and friends for their kindness and sympathy expressed, for the beautiful flowers sent and cars donated at the recent death of our beloved wife and mother, Mrs. Josephine Graziano. GETS FINE DOG

Carl Moore, 433 Lookout street has just received a fine hunting dog from Wyandotte, Okla. Mr. Moore claims it is a No. 1 dog and expects to have great results from the use of the animal this fall.

ASK DECORATIONS

Clarendon firemen ask that stores and residences of that borough display the Stars and Stripes on Saturday when the firemen's celebration will be held. It is hoped that the town will be well decorated for the occasion specially along the line of march of the parade to be held at 7 p. m.

CALLED TO NEW YORK

Fred Sochist, 207 Sixth avenue, is leaving tonight for New York City, in response to a summons to appear before the grand jury in the case of the Commonwealth of New York vs. Mariano Abello, New York policeman, charged with the strangulation murder of Katherine M. Miller, of Warren, in that city last July 4th.

REPORT ON BENEFIT

At last night's meeting of the Exchange Club, held following dinner in the private dining room of the Blue and White Restaurant, members were given a partial report on the benefit baseball game sponsored recently by the club for its dental fund for underprivileged children and the fire victims at Clarendon. Incomplete reports turned in indicate approximately \$350 will be divided equally between the two projects. At another meeting to be held in two weeks, it is hoped all ticket reports will be submitted and a final figure may be arrived at.

Warren Grange Plans For "Booster Night"

At last night's meeting of the Warren Grange, No. 1025, every member was urged to turn out for the next regular meeting which will be the annual "Booster Night." Details of the plans will be announced later by the committee on arrangements.

Last evening's meeting followed an enjoyable family picnic supper at 6:30 o'clock. In addition to routine business considered, five applications for membership were read and members were asked to attend the "traveling shear" meeting to be held at Grand Valley on September 10.

Games for both children and the adults were provided by the committee to conclude a very pleasant evening.

Elimination of all others would be a step toward safety doing away with some blind spots. Some car owners are still carrying ration stickers long obsolete, others have failed to remove tax stamps which are no longer necessary. All unneeded stickers obscure the vision of drivers and should be promptly taken off.

Gene's Service Center Suffers Flash Blaze

Firemen were called this morning at 4:54 to Gene's Service Center, Market street and Pennsylvania avenue where a gasoline flash fire had occurred. Workmen at the station were engaged in cleaning the floor with gasoline when a flash fire occurred. The flame was but a momentary one but the heat generated was sufficient to burn overhauls, break oil bottles, sear paint on the walls and burn a curtain. Just what the damage will be has not been estimated as yet. The firemen found everything under control on their arrival but aided in checking about the place.

At 7:05 this morning the firemen were called to the home of Mrs. Ethel Fisher, 209 Market street where a cigarette had presumably fallen through a wooden grating between the cement floor and the basement. Some rubbish in the basement was ablaze and it was extinguished with no damage to building or contents.

Alteration Permit Refused For Central Fire Station At Sept. Council Meeting

added discussion and council remained firm in its refusal to take over the street until it is placed in passable condition and road lines and an oil well in the street removed.

It was also reported that business men are complaining of the use of cinders on the slippery streets during the winter months. Rock salt at a cost of \$14 per ton in 30 ton lots was recommended. Salt is used in most towns in this vicinity. No action was taken.

The street committee was authorized to advertise for a new two and one-half ton truck for its use. Bids will be opened at the next meeting. Fifteen oil drums will be sold at 75 cents each by the committee.

A representative of the Elgin Street Sweeper Company was present and warned that the present sweeper was about worn out and

that the machine had gone through a bad fire and had about served its usefulness. He quoted a price of \$7,700 plus freight to Warren. Delivery cannot be made until April, 1948. Council took no action.

It was also reported that the storm sewer for the Warren County Dairy Association had been completed.

The police committee reported that 242 arrests had been made last month and that fines of \$687.67 had been levied on the offenders. The campaign against traffic violations netted the major portion of the arrests.

For the past four week period the parking meters produced \$1170.67 as against a five week period last year which brought \$1134.66 to the borough.

Stop signs will be erected on streets entering St. Clair street on the South Side and this change in motor laws of the borough made.

boots for the firemen were authorized for purchase by the fire committee. Captain James Tridico, who attended the recent fire school at Lewistown was called upon to make a report and in a neat address he gave council some idea of the vast amount of work done by the firemen attending the school working from 8 a. m. to 4 p. m. and then from 7:30 until 11 o'clock. Captain Tridico extended his thanks to the Council for making it possible for him to attend the school.

\$16,800 in building permits were issued during the past month.

The city scales produced the sum of \$36.45 last month.

The park committee reported that the request for toilets on the Fourth ward playground would be cared for if the budget for 1947 permitted. The playground equipment has been stored and the dyke on the South Side along the park line repaired.

In making his report Mr. DeFrees evidenced his dislike of the casting aside of the committee system in granting of a permit to the Pennsylvania Gas Company to lay a pipe line through borough property.

The Airport committee turned over \$250.15 to the borough as its share of money earned at the part last month.

It was also reported that the steel for the annex to the hangar had arrived and work of erecting

it would be undertaken next week. The Airport committee was also authorized to advertise for doors and windows for the new annex to be opened at the next meeting. Advertising for roof stripes and siding for the annex was also authorized.

It was also reported that Vice President Baisley, of the All American Aviation Company, had spent yesterday in the city discussing with the committee a new contract for use of the local airport. Satisfactory progress was made and a further report will be made at the next meeting. It was further stated that passenger service would be under way here before April 1st, 1947.

Borough Solicitor Sidney Blackman reported relative to the erection of barriers at the Chestnut street crossing. The barriers are still in place.

Former Burgess Ray Steber gave the Council some information relative to the OGD property which was sent to this city during the bomb scare during the war. Some of the property has been

sold under an order from the OGD for the sum of \$1342.98. The OGD passed out of the picture and the money was still in the bank here. This week a representative of the War Assets Commission arrived in Warren and it has been arranged to pay \$900 for the property which was sold and the remainder of the \$1342.98 for the rest of the property here. The property consists of gas masks, cots, medical supplies, etc. The fire committee was appointed to take care of the goods purchased under the deal with War Assets. Councilman "Tip" DeLong, who has moved to the East Side presented his resignation due to his leaving his ward. This was accepted with regret.

Ceremony At St. Paul's Church Unites Marian E. Hollister and H. W. Swanson

Palms, white gladioli and white candles on the altar provided a lovely setting Wednesday in St. Paul's Lutheran church, when Marian E. Hollister, daughter of Mr. and Mrs. A. J. Hollister, 101st Run road, became the bride of Harold W. Swanson, Rochester, N. Y., son of Godfrey Swanson, North Irvine street, this city. The ceremony was performed at 2:30 p. m. by the Rev. Nore Gustafson, pastor, and the Rev. Ernest Peterson, of Ashland, Minn. Mrs. Emil Jacobson, at the organ, played "My Heart At Thy Sweet Voice" by Saint-Saens, and the traditional marches. During the rites, she played softly on the hymns "O Perfect Love" by Barnby. She was also accompanied for the vocalist, Gladys Jensen, who sang "Because" by D'Hardelt and "The Lord's Prayer" by Malotte.

The bride was given in marriage by her father and attended by her sister, Edith, as maid of honor; her cousin, Louise Steber, and Mildred Dunkle, as bridesmaids. The bride wore a fitted bodice, long sleeves pointed at the wrists, and full skirt with short train. Her fingertip veil of illusion net fell from an orange blossom tiara, and white roses and baby's breath were used to fashion her bouquet. Her pearl necklace was a gift from the bridegroom. Attendants were gownned alike, with frocks having sweetheart necklines in fitted bodices, three-quarter sleeves and long, full skirts. Mrs. Hollister wore aqua. Miss Steber was in gold and Miss Dunkle in pale green. All wore pearls and had arm bouquets of gladioli and pom-poms, with head bandeaux to match.

Completing the bridal party were William Hollister, of Washington, D. C., brother of the bride and best man for Mr. Swanson, with Algot Swanson, Springfield, Mass., and Ernest Swanson, Buffalo, N. Y., brothers of the bridegroom, as ushers.

The bride's mother chose brown accessories with brown crepe and Miss Theresa Swanson, aunt of

Big Red Apple Party

The first young people's community party for the fall season will be held on Saturday evening in the Beauty school gymnasium. It is to be known as a "Big Red Apple" party, but those attending are asked to bring something a little less "fruity" in the way of a donation. And, it won't go to teacher. The young folks will be given a chance at this party to make a donation toward the cost of holding these semi-monthly parties, with Ellie Peters in charge of the donations committee and arrangements for an appropriate donation box and other details. Mary Evelyn Hill and Wilmer Latshaw are the co-chairmen for the Big Red Apple party, and have obtained Dale Soderberg's band to provide the floor show and music. Other committee chairmen are: Lous Lowe, clean-up; Verna Knudsen, refreshments; Charles Cochener, set-up; Bud Marrer, reservations; Sylvia Kyler, check-room; Bill Schellhammer, games; Patty Wade, decorations; Mike D'Angelo, lights. A well-balanced floor show has been obtained. The Four Keys will be heard for the last time before being broken up by college. This quartet is composed of Dave Leidy, Bill Blair, Ed Wood and Harrison Wood. Joan McDonald will be the vocalist and there will be dance specialties by LeAnn Albaugh, Carol Briggs, Mona Jean Brooks and Martha Anne Edwards. There also will be a specialty by the orchestra.

Thus far, in two seasons, no admission has been charged to these youth parties and the sponsors feel it will not be necessary to do so in the future if the young people will show their appreciation by occasionally contributing a few nickles and dimes toward expenses of the series. The Big Apple party on Saturday night provides them with the first opportunity of starting to build up such a fund.

Josephine Kushner Sets Wedding Day

Mrs. Anna Kushner, of Pittsburgh, announces that her daughter, Miss Josephine, has selected Saturday, September 14, as the date of her marriage to Michael Kuzminski, Jr., of Youngsville.

The bride will observe open church for the ceremony, which will be performed at 10 a. m. in St. Luke's church at Irvine.

Mrs. Walter Fill, Mrs. Frank Stec, Mrs. Stanley Sobec, Mrs. Willard Fehlman and Mary Kuzminski were hostesses for a shower party given Wednesday evening in the National Forge clubhouse at Irvine in honor of Miss Kushner.

Games were enjoyed and a delicious lunch was served by the hostesses to 50 guests. A beautifully decorated table had for its centerpiece a model bride, flanked by white candles and white gladioli. The bride-to-be was then showered with many attractive articles for her future home.

Nebraska Friends Enjoy Gathering

The annual reunion of the O. N. F. Club was held at "The Pines," near Corry, summer home of Mr. and Mrs. Walter Keppel.

A picnic lunch was served at 1:30 o'clock. During the afternoon several enjoyed a hike through the woods to view the pine plantation, while others remained at the cottage to renew old acquaintances. The most enjoyable event of the day's program were the duets sung by Miss Beba Cole and Mrs. Evadne Benzie, who were so pleasantly generous with their encores.

Plans were made to hold next year's picnic at Nebraska.

Those in attendance for this year's gathering were Mr. and Mrs. Edwin Sibbe, of Knox; Mrs. Iva Simpson, Mr. and Mrs. Arthur Benzie, Pittsburgh; Mr. and Mrs. Charles Keppel, Mr. and Mrs. Walter Keppel, Corry; Mr. and Mrs. Charles Kifer, Mr. and Mrs. George Klinefister, Mr. and Mrs. Lewis Arner, Mr. and Mrs. Ray Marlett, Mr. and Mrs. Archie Hunter, Mrs. Lucy Hunter, Miss Beba Cole, Miss Anna Thorpe, Mrs. Myrtle Hulings, Miss Grace Johnson, Warren.

Corned Beef is a Man's Delight

Hors d'Oeuvre Sausages in Sauce
Corned Beef, Buttered Beets
Tomato Salad
Fresh Berries and Cream

(Recipes Serve Four)

Hors d'Oeuvre Sausage in Sauce
1 tablespoon butter or margarine
1 tablespoon cold water
1 cup hot water
1 bouillon cube
2 tablespoons cream
Salt
Cayenne
12 hors d'oeuvre sausages
Green pepper

Melt butter or margarine and add flour. Dissolve bouillon cube in hot water and cream. Stir until sauce boils and add gelatin soaked in cold water. Season to taste with salt and cayenne. Cool slightly. Cook sausages two minutes in boiling water to cover. Drain and put in cold frying pan and cook slowly until crisp and brown. Cool and dip in sauce. Insert an hors d'oeuvre stick in each and garnish with piece of green pepper. Chill until firm before serving.

If you plan to cut corn from the cob, drive a nail up and at a slight angle through the cutting board. The point will hold the cob firmly, while a sharp knife will help slice the kernels just deep enough to be tender.

Accidents cost an estimated \$2,700,000,000 in the United States in 1945—including wages lost, medical expenses and insurance overhead.

Guilty Verdict Is Returned In Dilley Case

Harold Milton Dilley, of Jamestown, on trial in quarter sessions court for participation in an assault and robbery case some time ago did not go on the stand to testify in his own behalf. His attorneys, Willard Cass, of Frewsburg, and Harold Hampson, of Warren, who filed a demurrer to the testimony of the Commonwealth alleging they had not made out a convincing case. The Commonwealth testimony was closed Wednesday afternoon and the demurrer filed.

This morning the attorneys for the Commonwealth and defense addressed the jury and Judge Allison D. Wade gave his charge. The jury, retired at 11:50 a. m., returning about one o'clock with a verdict of guilty on the charge of assault with intent to rob, second count on the indictment. This was the last case on the Quarter Sessions Court list.

A session of juvenile court followed the Dilley case and Walter J. Cmiel, of Columbus township, was taken before Judge Wade. The boy is implicated in the theft of five guns and a fishing rod from the Baker farm in Columbus Township. The guns were old and valuable and were turned over to one Savko by young Cmiel. In return he was given a new gun. Savko has pleaded guilty to receiving the guns and received a suspended sentence.

Dreamboat Pilot

Schwellenbach, President Truman said today. The president said he himself has not intervened. He will act on the matter when it is put before him, the president added, but at the present he is leaving all negotiations with the labor department. The president declined at his news conference to take sides in a controversy between the CIO and the AFL over representation for this country at the International Labor Organization Conference. Secretary Schwellenbach is in favor of alternating the delegates between the two big American labor groups.

Philadelphia, Sept. 5—(AP)—Approximately 1,000 AFL seamen left ships in the port of Philadelphia today in a walkout that a spokesman for the Seafarers International Union said would effectively tie up the port. James Truesdale, union port agent, said picket lines would be established at all active piers tomorrow morning unless prior settlement of the nationwide maritime strike is reached. He said 7,000 longshoremen and 8,000 ship cleaners and maintenance workers, all AFL unionists, and 2,000 CIO seamen had promised to support the strike.

Eastern Star Has Plans Under Way For Busy Season

Warren Chapter, Order of Eastern Star, started off its fall schedule of activities with an important business session held Tuesday evening in the Temple building.

Continuing the custom of other years, Worthy Matron Margaret Gleese presented her report of the Grand Chapter of Pennsylvania sessions held in Jaffa Mosque in Altoona, bringing out many interesting facts concerning accomplishments of the past year and suggestions for the program of the future.

Plans were discussed concerning the coming district meeting, to be held in Warren on Friday, September 20, to honor the worthy grand matron. The district session will be held at the Woman's Club, preceded by dinner at the YWCA activities building. Further details of the plans will be announced soon by Mrs. Gleese and committee heads.

Also discussed at this meeting were arrangements for the chapter's rummage sale to be held on Friday and Saturday of this week in the former Bayer building in Pennsylvania avenue, west.

After the business session, a social time was enjoyed and refreshments were served by a committee headed by Gladys Johnson and Gertrude Babcock. The lace-covered table was made most attractive with a center arrangement of fall flowers and candles.

MARINE HOME
 Word is received from Mr. and Mrs. James Cuthbertson, Jamestown, that their son, Pfc. George W. Cuthbertson, who has been stationed at the Parris Island Marine Base for the past 13 months, has arrived home after receiving his honorable discharge on August 26.

SILVER WEDDING OCCASION OF PARTY
 The 25th wedding anniversary of Mr. and Mrs. Merle Putnam, Church Run road, Titusville, was celebrated on Saturday evening with a gathering of about 60 relatives and friends from Jamestown, Gerry, Steadman, Sinclairville, Youngsville, Corry, Grand Valley, Garland, Titusville and Cherry Tree.

Games were played and music was provided by Cecil Woodard and his son. The honored guests were presented with many attractive remembrances of the happy occasion.

WOMEN'S GOLF NOTES FROM COUNTRY CLUB
 Women's golf activities at the Country Club will end officially next Wednesday, when the final tournament will be played and season awards will be presented to the winners. A meeting will also be held for discussion of possibilities and plans for next season. The day's play will be a four-club tournament.

Mrs. Harold Banghart, 1946 club champion, was the Class A winner of this week's flag tournament, with Mrs. Lyle Knapp heading the Class B players.

MINN AND FROMAN RITES ANNOUNCED

Announcement is made today of the August 31st marriage of Mrs. Elizabeth Froman, Alston street, and Charles Minn, Fifth avenue. Their attendants were Mr. and Mrs. Clarence Zerbe.

The bride was attired in rose crepe and wore a corsage of white asters. Mrs. Zerbe wore a pink aster corsage with a black frock.

After the ceremony, the newlyweds left on a short wedding trip. When they returned, a reception was held at the bride's home, with six seated at a bride's table, beautifully decorated and centered with a wedding cake. The guest list of 47 persons included Mr. and Mrs. Kavka, of Erie, and Mrs. Johnson, of Portland, Ore.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as Lively as a Youngster—Now her Backache is better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about a pint a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 16 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Barbara J. King Saturday Bride of T. L. Anundson

At two o'clock Saturday afternoon, August 31, in St. Paul's Lutheran church, Rev. Edward K. Gers performed the double ring ceremony which united in marriage Miss Barbara J. King, daughter of Mr. and Mrs. Raymond G. King, 809 Pennsylvania avenue, east, and Theodore L. Anundson, son of Mr. and Mrs. L. Anundson, of Sheffield. Palms and baskets of gladioli were used in attractive decoration of the church altar. Miss Emil Johnson, at the organ, played the wedding music.

Escorted and given in marriage by her father, the bride wore a gown of white satin brocade, with sweetheart neckline, long sleeves, full bodice and full skirt terminating in a train. Her matching fingertip veil fell from a tiara of orange blossoms. Her only jewelry was a necklace of pearls and she carried an arm bouquet of white roses and baby's breath.

The bridesmaid was her sister, Ruth, who wore a white floor-length gown with satin brocade top and full silk skirt over taffeta. Her arm bouquet was of red roses and baby's breath. The maid of honor was Katherine Constable, who wore a gown of aqua net, with sweetheart neckline and three-quarter sleeves. She carried a bouquet of yellow roses and baby's breath. Little Miss Elizabeth Hilker, the bride's cousin and flower girl, was dressed in a long frock of white lace over taffeta and carried a nosegay of asters and roses with pink ribbon ties.

Burton Jourdet, of Corry, was the best man, and ushers were Anthony J. Pellegrino and Thomas Jansen.

For traveling, the bride wore a white suit with white accessories and shoulder corsage of red and white roses. After a wedding trip to Canada, the couple will make their home in Erie, where Mr. Anundson will attend Gannon College.

News Received Of Clifton and Heil Rites On August 18

A pretty wedding was solemnized at 4 p. m. on August 18, by the Rev. Michael Guinan, to unite in marriage Ben Clifton, son of Mr. and Mrs. George Clifton, of Warren, and Ann Heil, daughter of Mr. and Mrs. Henry Heil, of Babylon, N. Y. The double ring ceremony was used.

The bride was attired in white crepe, with matching accessories, and her corsage of white carnations was centered with an orchid. Her sister, Helen, as maid of honor, wore white accessories and carried white roses with a blue dress. The bride's mother was attired in black and Mrs. Clifton in black and white, each with a corsage of white roses.

Henry Heil, Jr., was best man for Mr. Clifton.

Following the ceremony, a reception was held at the Citizens' Club in Babylon to the immediate families and friends. The bride's table was prettily decorated and centered with a three-tier wedding cake. Guests included Mrs. George Clifton, Mrs. Henry Dove, Mrs. Clarence Zerbe and daughter, Priscilla, of Warren; Mr. and Mrs. Henry Heil, Jr., and Mrs. Henry Hart, of Lyndhurst, N. Y.

Later, the couple left for a honeymoon to the Poconos, after which they will be at home in Erie. The bride has been employed as a secretary to Von Bourgondien Bros., of Babylon, and Mr. Clifton is employed by General Electric at Erie, after serving three years in the U. S. Army.

During the Civil War, most Coast Guard cutters were on the Union side and blockaded southern ports. The cutter "Harriet Lane" fired the first naval shot of that war when she returned fire on Fort Sumter.

Restrictions
On Evictions
Are Outlined

Frank S. Anderson, Area Rent Director of Erie and Warren counties has announced that the National Office has placed new restrictions on eviction of a tenant for occupancy by a member of the landlord's family.

In the future, Anderson advised, this type of eviction will generally be limited to those cases involving the parent-child relationship where the landlord establishes a need for the eviction, either on his part or on the part of the proposed occupant. As in the past this type of eviction will continue to require that the landlord petition the rent office for eviction of the tenant and that no tenant may be so evicted unless a certificate has been issued by the Rent Office permitting such eviction.

It is apparent that the family member intends to occupy the premises but that the primary motive for the eviction is to evict the tenant because he has complained to the OPA or taken some other action authorized by the Act or Regulation, the petition will be denied.

Anderson indicated that there has been an increase in recent months of attempts by landlords to evict tenants illegally. He advised tenants who are threatened with eviction to check with the Rent Office to determine whether such eviction is permitted under the Rent Regulations.

YOUNGVILLE

Youngville, Aug. 30 — Austin Belnap, of Bakersfield, California spent last week in Youngville, his birthplace, and where he still has relatives living. He arrived last Monday accompanied by cousins, Mrs. Jane Maxwell of Butler and Mrs. Elva Sherman of Reynolds and they have been guests of Mrs. Leota Day, a cousin. The party left Thursday for Butler. Mr. Belnap intends to visit other cousins and relatives before returning to California.

Austin Belnap was born on West Main street, his people living in the house now occupied by Mr. and Mrs. C. C. Johnson. His father Kim Belnap was for twenty-one years postmaster of Youngville. Two uncles, W. D. Belnap and N. P. Belnap were well known residents of this town.

Austin Belnap's nephew and wife, Mr. and Mrs. Blodgett, of Bakersfield, Calif., recently visited Youngville. Mr. Blodgett's birthplace.

On their return to California, the Blodgetts told of their pleasure in visiting eastern friends and relatives, so Mr. Austin Belnap, started on a similar trip, and seem to be enjoying it as well.

LOCALS

Mrs. Springer will entertain the Orange Circle, as hostess, at the National Forge Club House on Wednesday Sept. 4th. Mr. Kellerman is the program leader.

Mr. and Mrs. Laurel Whitmore of Youngville and Mr. and Mrs. Eric Vogan of Gowanda, N. Y., just returned from a vacation trip to Toronto and London, Ont., Canada, Detroit Mich., Port Clinton and Cleveland, Ohio.

Mrs. C. S. Mead, Mrs. Belle Kay, Mrs. Ella Allen and Mrs. Euphine Anderson were guests one day this week of Mrs. Ethel White Ball in North East.

The Boy Scouts of Troop 31 are planning to have a pancake supper in the Grange Hall Saturday Sept. 7th from 5 to 7 p. m.

Mrs. Harold Higgins' mother has been quite ill but at present, Mrs. Higgins reported as improving, but not able to get about very much.

The Brokenstraw Garden Club will meet Tuesday evening Sept. 3rd for their regular meeting with Mr. and Mrs. Orval Borton, 519 East Main St. The chairman in charge of program is R. C. Bailey and the roll call will be the naming of fish or game. The meeting will open with a 6:30 p. m. tureen supper.

Dr. G. E. Mix was very pleased with a surprise visit from his son Adrian Mix, who flew from Caracas, Venezuela to Miami and on to Pittsburgh where he phoned his father to meet him in Erie. With the exception of the auto trip with his father from Erie to Youngville he traveled all the way by plane. His visit here is short as he left his wife and baby in South America on this trip.

Men are now working at the brick plant at the north of Youngville and the report is that the plant will be open soon for the making of the fine bricks for which this plant has an enviable reputation.

Borough Engineer White and Borough employees have constructed a bridge on Second street. The bridge is now practically complete and will be open for light traffic this week.

An increase in the number of eligible voters in Youngville has been recently made by special registration. 72 new voters were added to the Republican list and 23 to the Democratic with two non partisan votes making nearly a hundred new voters and the total registered in the borough as 1030 voters.

Mrs. Margie Finlan, Delores Mariner, Eva Warner and Jean Warner were Pittsburgh visitors Tuesday.

Mrs. William Kuhl, has been ill for some weeks but is reported as a little better now.

Airport news locally is getting very interesting. Three G. I. students have graduated from Brokenstraw Airport Flying Course, namely Richard Riffle of Warren, Robert Bailey, Garland and Kenneth Retterer, Youngville. Warren Stewart of Corry also recently graduated. Several new students have just enrolled. Keith Mead and Ray Fales recently took their cross-country trip to Cleveland and are working for their final test in flying. Mr. and Mrs. Rensma plan to see something of the National Cleveland Air Races. Jay Thompson is a new instructor.

Experiments On Control Of Corrosion

Oil City, Sept. 2—Experiments will be conducted on 25 oil wells in the Oil City-Pleasantville district to test several laboratory-developed ideas for controlling corrosion in oil producing operations under air-gas secondary recovery. The Pennsylvania Grade Crude Oil Association will sponsor the study.

C. E. Stout of Parkersburg, W. Va., production research engineer for the Association, said six operators have consented to cooperate in the tests on nine separate leases spread throughout the district. Arrangements were made in conjunction with R. B. Bossler of the Brundred Oil Corp., Oil City, a member of the Association's research advisory committee.

The Battelle Memorial Institute, Columbus, Ohio, was engaged last year to make a special investigation of the corrosion problem for the Association. The field trials will carry out the Institute's suggestion for investigation of use of zinc chromate and a preparation known as Calgon, either in combination or separately, as a means of protecting present well equipment. Temporary benefit might be derived from use of a rust preventive coating to be swabbed outside the tubing each time the well is pulled, the Institute said.

Other suggestions included elimination of galvanic couples between the brass barrel and the adjacent steel parts by means of insulated section or use of zinc protectors. Galvanized rods and tubing were recommended for use in replacements.

The corrosion study has been under way for some time as part of the Oil Association's production research program. Analysis of bottom hole water from a dozen wells in the Oil City-Pleasantville district showed the water to have

BY WILLIAM E. MCKENNEY
America's Card Authority
"Why You Lose at Bridge," by S. J. Simon of London, is one of the most enjoyable bridge books it has been my pleasure to read. I do not know the author, but his publisher claims he is one of the world's greatest bridge players. I am giving you today the very first hand out of his book. "Mr. Smug" (South) quickly and easily found himself in a four-spade contract.

When West made his opening lead and the dummy went down, Mr. Smug said, "Play the ace of diamonds," which won the trick. Now he saw that if he could make the right heart finesse and club finesse, and if the spades broke, he could make a grand slam, so his next remark was, "Probably missed a slam, partner."

He played the king of spades from dummy, and when East discarded a heart, Mr. Smug chuckled and said, "Lucky we did not get into the slam." He proceeded to draw another trump, and by this time it had occurred to him that he might not even make his contract.

He cashed the ace and king of

uniform characteristics. The field tests represent the next step and are expected to require several months to yield usable data.

clubs, intending to ruff the third club and hoping that the queen would fall. But West overtrumped the third club, cashed his high trump and winning diamond, then let Mr. Smug ruff the next diamond. Then Mr. Smug misguessed the heart finesse and said, "Sorry, partner, but everything was wrong."

The hand of course was ice-cold for five-odd.

Mr. Simon sums up Mr. Smug's mistakes as follows: first, hasty play to the first trick; second, mismanagement of trumps; third, failure to throw a loser on a loser; and fourth, failure to count the hand. Even though he misguessed the trumps, he could have assured four-odd by discarding his losing diamond on the jack of clubs. Then he would not have been forced to guess the heart finesse.

Lumber Shortage Relief Is Long-Term Planning Problem

Some of the underlying causes of the lumber shortage are more permanent than the current lack of labor, equipment and milling capacity, said U. S. Regional Forester R. M. Evans here today in discussing a new Forest Service folder on Why Is Lumber Scarce.

"We are all straining to clear the current bottlenecks," said Evans. "More and better stumpage is being made available through access roads. Mills and timber operators are procuring equipment and recruiting labor as rapidly as they can. The cut allowed on National Forests is being maintained at or near wartime levels and just on the safe side of the dangerous depletion line.

"But these measures are aimed at the current housing emergency," he said. "More basic than the temporary ills they seek to cure is the fact that the war ate up lumber faster than we could produce it, and back of the war depletion is a long period of wasteful practices.

"We now see ahead a 10-year period of lumber demand likely to reach 42 billion board feet a year and a productive capacity probably incapable of exceeding 33 billion feet a year. All of this is not labor and equipment shortage. No one can look at the forest 'vital statistics' in Why Is Lumber Scarce without realizing that we have come to the point where we must adopt a broad program to restore and protect our forest productive capacity if we are to meet future requirements.

"It can be done," said Mr. Evans. "What we need to do is to recognize that now is already high time to begin."

Why Is Lumber Scarce points out that in 1942 we used 43 billion board feet of lumber as against a top production level of 36½ billion feet in 1941. To do this and to maintain a wartime consumption around the 40 billion foot level against a dwindling wartime production, we had to dip into a stock pile that fell from 17 billion feet to slightly over 4 billion feet. Meanwhile production dropped as low as 27.4 billion board feet in 1945. Timber got to be one of our most critical war problems.

Labor and equipment scarcity was an obvious wartime handicap. But some of the scarcity was and is due to the dwindling supply of the growing inaccessibility of the better grades of merchantable timber.

"In the West," says the Forest Service folder, "many of the established sawmills will run out of logs in a few years. New opportunities for large scale operations are limited.

"In the North timber depletion has shrunk the lumber industry to a small fraction of its former importance.

"Even in the South the stand of fast growing pine is not sufficient to maintain present output."

In the opinion of the Forest Service there is still opportunity for encouraging twice the present new growth and there are some wastes of timber which could be avoided by better cutting, marketing and milling practices. The Forest Service recommends the following programs to meet present demands and future requirements:

1. Continuation of its current policy of pushing the sale of timber from national forests. To do this without sacrificing future production will require many more forest roads, especially in the West, to give access to the large volume of timber that cannot now be reached.

2. Providing technical management and marketing service to small woodland owners. This would encourage them to harvest the trees that are ready for cutting, and yet leave enough timber on their land for future crops.

3. Aiding and advising small sawmill operators in proper forest practices, milling operations and marketing.

These steps will help in the present emergency, and steps 2 and 3 should be carried over into a permanent program, for which the Forest Service recommends:

1. Increased public aids and services to private owners.

2. Public control of cutting and other forest practice on private forest lands.

3. Expansion and development of public forests—national, state and local.

Through such a program the foresters are convinced that we can build up and maintain our forest productivity on a level that will meet urgent future requirements. Failure to adopt such a program at an early date, they believe, will leave us among the "have nots" forced to import an ever increasing proportion of our lumber requirements.

Copies of the folder Why Is Lumber Scarce can be had upon request from the Regional Office of the U. S. Forest Service in Philadelphia.

Field Day Promises Much Way of Outdoor Events

The annual Field Day of the Warren Field & Stream Club will be held Sunday, September 15th at Wilder Field, promising to be the best yet of these outdoor affairs. Plans for the day are now complete and activities have been provided for all groups as well as for all out-door enthusiasts.

The outing will begin in the morning at 10:00 and will continue through the day, and the boys and girls have enough activities to consume an entire day. The planned activities will follow the fine program which the club had at their Field Day last year but has been enlarged due to the increasing yearly attendance. As before, the entire display will be on canvas so that rain or shine, public can participate in the display.

The wild life show, one of the popular and most entertaining features of the outing will be better than ever. The bit will display practically all the game native to this area. No exhibit in Warren County is to be complete without a pen of snakes—and these were last Friday by George and Clyde Hansen. They succeeded in getting nine snakes—of them large rattlers. In connection with the wildlife exhibit will be a display sponsored by the Pennsylvania Department of Forests and Waters. This educational display illustrates cross

have difficulty throwing a fly fifty feet will want to see George Trigg's throw. Mrs. Trigg's cigarette at this distance. The Triggs have thrilled audiences throughout the entire country and they will undoubtedly do the same in Warren.

Of course, no outing of the Warren Field & Stream Club would be complete without Fox Hole Inn—popular eating spot which originated on the fox hunts which the club sponsored. Here, over charcoal, Frank Reese and his boys prepare the finest hot dogs, hamburgs, and coffee etc. that anyone ever ate. The crowds which attended the outings in the past have been thrilled by the quality of this fine food, and this year a fine outdoor bun steamer has been added to assure even a better sandwich than in the past. Ice cold pop and ice cream will also be available and the committee has made their plans to handle all foods on a minimum price basis.

An exciting pistol match may be in the offing—being a challenge match between the Warren Police Force and the Pennsylvania State Police. It seems that Gerry Bean while observing the State Police do a bit of practice shooting up Conewango Ave. Ext. noticed a wasps nest and proceeded to pick the insects off with a .38 at approximately 75 yards. This was almost too much for the State boys—who claim one of their boys can do the same thing at the same distance using ants for a target. Both organizations are known to contain some of the best pistol shots in Western Pennsylvania and if a competitive match is arranged it will most certainly be an interesting and instructive bit of gun handling.

The Field day will, in addition

Here's what we have done in the First Post-War Year

THIS IS A RECORD of what we have accomplished in Pennsylvania in the first post-war year.

It is a record made against heavy odds . . . against material shortages which became increasingly acute . . . against a supply situation which at times became worse instead of better . . . against a plague of other reasons quite beyond our control.

- And This is What We Did**
- We added 206,000 telephones in Pennsylvania . . . or 100,000 more than we added during 1941, the biggest year, by a wide margin, in our history.
 - We took more than 190,000 names off Pennsylvania waiting lists for telephone service, even while new demand was adding over 160,000 more.
 - We supplied telephone service to almost 20,000 new families in the rural areas of Pennsylvania which we serve.
 - We broke ground for the construction of nine new buildings, and began essential enlargements on four old.
 - We made 161 dial central office additions and 87 manual central office additions.
 - We installed 197,500 miles of wire in exchange cables.
 - We took the first experimental steps toward introducing mobile radio-telephone service in Philadelphia and Pittsburgh—a service that ultimately will enable cars and trucks to have two-way telephone service to any telephone connected with Bell System lines.
 - We spent nearly \$30,000,000 for new telephone plant to serve Pennsylvania telephone users.

In short, we made real progress toward our goal—to provide the world's finest telephone service to anyone who wants it anywhere in the territory we serve.

But there's still a big job to be done

In some places, at some times, telephone service is not so good as we would like it to be—not so good as telephone users want it to be. When central office equipment must carry more calls by far than it was ever intended to carry, there are bound to be occasional delays. We don't like delays. It will take major additions to central office facilities to restore service to its accustomed round-the-clock high quality. That we're determined to do as fast as we can get what we need.

George, Andy, Michael, Jr., and Joe Pochatko of Erie spent the weekend at their home on High street. Mr. and Mrs. John Po-

chatko also visited here and at Ludlow.

Mr. and Mrs. Russell Johnson and sons, Russell, Jr., Ronald and Rodney, were guests of the J. D. Pratt and Mrs. John L. Johnson families over the holiday.

Mrs. Carl A. Johnson of Chandlees Valley spent the weekend with her nieces, Mrs. C. G. McDowell and Mrs. Evelyn P. Gailor.

Mr. and Mrs. W. V. Christian, Mr. and Mrs. Milton Swanson, Miss Mildred Barr, and Walter Okerwald spent the weekend at Cook's Forest.

Mr. and Mrs. Lester Anundson and family spent the holiday weekend with Mr. and Mrs. R. C. Cederlof. Little Linda returned with them after visiting the past two weeks with relatives.

Miss Doris Miller returned to Greenwich, Conn., after spending the past three weeks with her mother, Mrs. Ida Miller.

Miss Alice Rickenburg and Mrs. Carl J. Anderson returned Monday morning from Washington, D. C., where they were sent as delegates to the Vasa Lodge convention.

Mrs. John Marley, Horton avenue, had as her house guests over the weekend, her granddaughter, Mrs. Sam Landes, of Lakechild, La.; Leland and Jimmy Marley; John and Miss Jean Anne Dent; Miss Mary Shoen, Mr. and Mrs. Parsons, William Mayer of Detroit, Mich.; Mr. and Mrs. Otto Meyer, Mr. Leo Mayer of Pittsburgh; Mr. and Mrs. Maynard Tomb and son, Jerry; Mrs. Rachel Tomb, Jamestown, N. Y.; Miss Gertrude Bainbridge, Warren.

Mr. and Mrs. Frank Eckman have returned home after a week's visit with their daughter and son-in-law, Mr. and Mrs. Calvin Bayley, and family of Picture Rocks.

Mr. and Mrs. James Corbett and Mrs. Sadie Anundson of Pittsburgh are visiting in town.

Be tray conscious. A big sturdy tray makes it possible to clear the dinner table and bring everything out to the kitchen in just one trip. Once you've tried a "tray" tray to carry all small cleaning equipment through the house in the morning, you'll probably decide you cannot get along without one.

Field Day Promises Much Way of Outdoor Events

The annual Field Day of the Warren Field & Stream Club will be held Sunday, September 15th at Wilder Field, promised to be the best yet of these outdoor affairs. Plans for the day are now complete and all groups as well as for all-outdoor enthusiasts.

The outing will begin in the morning at 10:00 and will continue through the day, and the boys in they have enough activities to consume an entire day.

As planned activities will follow the fine program which the club had at their Field Day last year but has been somewhat enlarged due to the increasing yearly attendance. As being the entire display will be on canvas so that rain or shine, public can participate in the day.

The wild life show, one of the popular and most entertaining features of the outing will be better than ever. The exhibit will display practically all the game native to this area, it also includes a deer. No life exhibit in Warren County has been complete without a pen of Rattlesnakes—and these were red last Friday by George and Clyde Hansen. They needed in getting nine snakes—of them large rattlers. In addition with the wildlife exhibit will be a display sponsored by the Pennsylvania Department of Forests and Waters. This educational display illustrates cross

have difficulty throwing a fly fifty feet will want to see George flick the ashes off Mrs. Trigg's cigarette at this distance. The Triggs have thrilled audiences throughout the entire country and they will undoubtedly do the same in Warren.

Of course, no outing of the Warren Field & Stream Club would be complete without Fox Hole Inn—a popular eating spot which originated on the fox hunts which the club sponsored. Here, over charcoal, Frank Reese and his boys prepare the finest hot dogs, hamburgs, and coffee etc. that anyone ever ate. The crowds which attended the outings in the past have been thrilled by the quality of this fine food, and this year a fine outdoor bun steamer has been added to assure even a better sandwich than in the past. Ice cold pop and ice cream will also be available and the committee has made their plans to handle all foods on a minimum price basis.

An exciting pistol match may be in the offing—being a challenge match between the Warren Police Force and the Pennsylvania State Police. It seems that Gerry Bean while observing the State Police do a bit of practice shooting up Conewango Ave. Ext. noticed a wasps nest and proceeded to pick the insects off with a .38 at approximately 75 yards. This was almost too much for the State boys—who claim one of their boys can do the same thing at the same distance using ants for a target. Both organizations are known to contain some of the best pistol shots in Western Pennsylvania and if a competitive match is arranged it will most certainly be an interesting and instructive bit of gun handling.

The Field day will, in addition

Here's what we have done in the First Post-War Year

THIS IS A RECORD of what we have accomplished in Pennsylvania in the first post-war year.

It is a record made against heavy odds . . . against material shortages which became increasingly acute . . . against a supply situation which at times became worse instead of better . . . against a plague of other reasons quite beyond our control.

And This is What We Did

- We added 206,000 telephones in Pennsylvania . . . or 100,000 more than we added during 1941, the biggest year, by a wide margin, in our history.
- We took more than 190,000 names off Pennsylvania waiting lists for telephone service, even while new demand was adding over 160,000 more.
- We supplied telephone service to almost 20,000 new families in the rural areas of Pennsylvania which we serve.
- We broke ground for the construction of nine new buildings, and began essential enlargements on four old.
- We made 161 dial central office additions and 87 manual central office additions.
- We installed 197,500 miles of wire in exchange cables.
- We took the first experimental steps toward introducing mobile radio-telephone service in Philadelphia and Pittsburgh—a service that ultimately will enable cars and trucks to have two-way telephone service to any telephone connected with Bell System lines.
- We spent nearly \$30,000,000 for new telephone plant to serve Pennsylvania telephone users.

In short, we made real progress toward our goal—to provide the world's finest telephone service to anyone who wants it anywhere in the territory we serve.

But there's still a big job to be done

In some places, at some times, telephone service is not so good as we would like it to be—not so good as telephone users want it to be. When central office equipment must carry more calls by far than it was ever intended to carry, there are bound to be occasional delays. We don't like delays. It will take major additions to central office facilities to restore service to its accustomed round-the-clock high quality. That we're determined to do as fast as we can get what we need.

MARCONI MAKES IT TWO IN A ROW IN THE CITY SOFTBALL LEAGUE CHAMPIONS PLAYOFF

The Marconi Club defeated the Sons of Italy for the second time in the five game City Softball League playoffs for the city softball championship last night, 12-10, at the West Side diamond with a record softball crowd on hand.

Although the Marconi boys were shut 12 to 9, sparked by R. Ritchie, who tallied three hits for four tries, the Sons bowed to the opposition mainly due to the numerous errors the last few innings. Although featured in the Marconi sitting line with four bingles for five tries, giving him almost half of the Marconi hits.

Numerous arguments marked the game and it is stated by Nick Pirillo, Marconi manager, that the Sons of Italy will protest the game for reasons not revealed. The game was nip and tuck all the way with home run clouts made by Ray Ritchie for the losers and Tony Bonavita for the winners.

With the score at nine and nine Manager Nick Pirillo came into the game as a pinch hitter. He hit one to the left fielder who dropped the ball and allowed the two men on base to score. Jack Morrison then hit a double scoring Pirillo to end the Marconi scoring at 12 runs. The Sons scored their last run on Zingone's hit and error by the Marconi first baseman. The win leaves the Sons of Italy with two wins and the Sons of Italy with no wins in the City League playoffs.

Junior League Banquet And Red Jackets Prices Discussed Last Night By Booster Club

The Warren Boosters Club held a meeting last night at the YMCA and many weighty matters were discussed. The Boosters have pledged to look up all Warren sports to the utmost and in their meeting last night they proved that they were going to do just this.

In the line of the old business, the question as to what to do about the Junior League banquet was brought up and it was decided that whatever will be done must be done right away before all interest is lost. Joe Gardner is the head of the committee that is taking care of the Junior League banquet, and he found out through much jockeying around that a banquet was going to be tough to arrange, according to the price set by the club, which is \$150 for the banquet and emblems for the two winning teams. As an alternative, Joe offered the suggestion of a trip to a Jamestown playoff game, or a picnic at Oakview Park, and was given authority by the club to arrange it as he deemed fit.

Much discussion on the price to be suggested to the sponsors of the Red Jackets football team for the Booster game and the regular season games following ended up with the club giving two suggestions, which will be decided upon by the football officials according to their expenditures and needs. A \$1.20 plus tax was offered as an admission for an adult for the Booster game, while others upheld the suggestion of \$.50 plus tax with the price dropping to \$.80 plus tax after the Booster as suggested by the first group and the latter price dropping to \$.75 after the Booster game. Both prices were staunchly upheld and it was decided that the decision be left up to the football officials as to which suggestion they would accept.

The site for the new War Memorial Stadium has been surveyed and put in the hands of a very capable engineering outfit, who will begin work on the drainage and leveling of the ground by October if everything goes on schedule.

As to new business it was brought up that Joe skating, a much-enjoyed sport in Warren has suffered a setback in the last two years because of a lack of a decent place to skate, and it was suggested that the memorial site be used as a skating place if the ground is leveled off in time. This suggestion received hearty approval from all sides.

PONY Play For Red Jackets Governor Cup To Scrimmage Starts Tonight Sunday P. M.

Buffalo, N. Y., Sep. 5—(P)—Confusion reigned today over the disposition of the 1946 Class D PONY League pennant.

Last night Jamestown won by a score of 6-2. A playoff game with the Batavia Clippers, last year's pennant winners. The playoff was ordered when, for the first time in the league's seven-year history, two teams finished the season deadlocked for the lead.

The playoff at least decided the order of the best-of-seven semifinals for the Governor's Cup which open tonight. Jamestown meets fourth-place Bradford at Jamestown, while the Clippers play third-place Olean at Batavia.

Com. Bowlers Organize At Times Square

The Commercial Bowling League held their organizing meeting last night at the Times Square Service Station. Harry Cooper was elected as the new president and Ralph Dalrymple as vice president. Jack Allen was re-elected to the post of secretary-treasurer.

The season will begin Thursday Sept. 12, with the teams on the 6:45 shift at the Penn Bowling Center. Teams in the league this year are: Olson-Bjers, Times Square, Coes Painters, Rudolph Barbers, Penelco, Chiment's, Pete's Grill, and the United Commercial Travelers.

Pete's Grill, league champs for the past two seasons, will be back with the same lineup to defend their title but with plenty of good bowlers being signed by the other teams it looks like anybody's guess as to who will win out.

Five hundred young "shut-ins" in Iowa go to school every day without leaving their homes, via a two-way wire system with loud speakers at both ends so that classroom proceedings can be heard and the "shut-ins" can take part in the recitations.

It is expected that the squad will be whittled down to two full teams, 22 men, for the sake of scrimmage and the all important reserves.

Ken Warner, from the New York Football Yankees, has offered his services until and if he is called away. Ken will be an active line-man if circumstances permit his staying.

Also added on the squad list are Joe Halves from Terre Haute, a real fast man from Cornish; Bill Murdoch, a six foot two inch end who has had lots of experience; Bob Deets, 210 pound tackle who played at Slippery Rock; and Joe O'Brien of Clarion, who has played for the Football Yankees.

Tonight's practice will start at 6:00 p. m.

RED MUNGER AND JOE HATTEN WIN GAMES FOR THE PARENT LEAGUE LEADING COMBINES

By JOE REICHLER
Associated Press Sports Writer

George (Red) Munger, who only six weeks ago, was wondering whether he would leave Germany in time to join the St. Louis Cardinals this season, may prove the deciding factor in the Redbirds' battle with the Brooklyn Dodgers for the National League pennant.

Munger last night celebrated his second week with the Cards since his discharge from the army by pitching the Redbirds to an 8-1 victory over the Chicago Cubs for his first triumph of the year.

The victory enabled the Cards to preserve their two game lead over the second place Dodgers who defeated the Braves in Boston 3-1.

Munger's six-hit performance comes as a surprise to most observers since he failed to retire a man in a relief role against the Dodgers Aug. 25, and had to be removed after tiring badly in his initial starting assignment last Sunday.

In a battle between lefthanders, Brooklyn's Joe Hatten had the better of Boston's Warren Spahn although the Braves out-hit the Dodgers eight to six. Three bases on balls proved Spahn's undoing as all figured in Brooklyn's scoring.

The Boston Red Sox moved to

2,561 Students Enrolled In Erie Sailors Take Gremlin

Warren's public schools got off to a fine start on Wednesday, with a total of 2,561 students enrolled for the new fall term classes. This figure, which is 35 lower than the total registration of first-day classes in 1945, will undoubtedly be increased slightly by the end of the first week.

A comparison of the 1945 and 1946 figures, filed with the superintendent, John G. Rossman, shows the following variations, with last year's totals printed first, this year's second:

High school, 825-844; Beaty, 651-680; East street, 217-220; Home street, 119-111; Johnson, 256-256; South street, 210-204; Lacy, 232-197; Seneca, 45-48; McClintock, 182-141. The greatest difference, 27 at Lacy building, is accounted for by transfer of that number of pupils to Beaty school.

On the third day of school last fall, grades 1-6 showed a total of 1,175 pupils enrolled. Wednesday's total for this group showing 1,169. Grades 7-8-9 dropped from 725 to 608 this year, again based on third day reports. Opportunity rooms had 37 pupils last year, 30 on Wednesday. As would be expected, the greatest increase in enrollment is at the high school, where grades 10-11-12 have 844 as compared with last year's 767.

About every six months, put a drop of sewing machine oil on both sides of the screw that holds the blades of scissors and shears together. Then wipe off excess oil.

Soybean chemists claim that animal and poultry feed made from soybean oil meal supplies from four to five times more digestible protein than cereal grains.

Drowning occurred more frequently than any other type non-motor-vehicle public fatal accident in the United States in 1945.

Stolen Chevy Truck Found Parked Here

Police during their patrols this morning found a Chevy truck parked on Liberty street near the Savoy Cafe at 2:30. The truck was taken to the police station and a telephone call made to James town. It was ascertained that the truck had been stolen yesterday morning at Wellsville, N. Y., driven to Warren and abandoned. The owner will be contacted and is expected to arrive in Warren this morning to claim his property. A fellow who had felt in need of a taxi to arrive at his home refused to pay the driver when the trip was completed. The driver promptly loaded the fellow into the car and gave him a ride to the police station. Here he was locked up and this morning arranged to pay his cab fare plus a fine and costs for being drunk. Earl Rossman, of Eddy street, was arrested yesterday by police on a warrant issued by Justice T. M. Greenlund charging assault and battery. Rossman is alleged to have beaten his wife. He was given a hearing today. Incidentally the police yesterday tapped the parking meters and garnered the sum of \$267.53.

Take Supper Out of Doors. This easy-to-make quick bread makes easy-to-fix picnics, lunchbox sandwiches, Sunday suppers and garden tea parties. Make it a picnic supper tonight! Trot all the fixin's out to the porch or back yard and let the family help themselves. Use paper plates to keep dishwashing at a minimum. And for the sandwiches, make this delicious Whole Wheat Nut Bread—so delightfully moist, so perfect for a cream cheese or jelly spread. You can use the new emergency flour or standard all-purpose flour with equally fine success. If you prefer, substitute 1 cup raisins or 1 1/2 cups uncooked prunes for the nuts. Clip and save this "easy-does-it" recipe.

WHOLE WHEAT NUT BREAD
1 1/2 cups sifted emergency flour or all-purpose flour
1 cup sifted whole wheat flour
4 teaspoons baking powder
1 teaspoon salt
1/2 cup granulated sugar
1/2 cup brown sugar, firmly packed
1/2 cup Spry
2 eggs, well beaten
1 cup milk
1 cup nuts, chopped

Sift flours, baking powder, salt and sugars. Cut in Spry fine. Combine eggs and milk. Turn liquids into dry ingredients and stir until all flour is dampened. Add nuts and mix. Bake in Spry-coated 9 x 5 x 3-inch loaf pan in moderate oven (350°F.) 1 hour, or until done. . . . Variation. Substitute 1 cup raisins or 1 1/2 cups uncooked prunes in place of nuts.

Colegrove To Back Martin For US Senate
Eric, Sept. 5—Arthur Colegrove, Corry publisher and former state secretary of property and supplies in the George Earle administration, yesterday announced that he will support Gov. Edward Martin for the United States Senate. Mr. Colegrove asserted his action is not a bolt from the Democratic party, but only a break with the Erie County Democratic Party Committee and the national policies of the party. The Corry publisher, long a power in Democratic circles in Pennsylvania, asserted present policies of the party are "not in accord with the ideals of Jeffersonian Democracy." "I've for a long time—since 1938—felt that I couldn't go along with the ideas and policies promulgated by the Democratic party," Mr. Colegrove declared. "I presume that I shall support Ed Martin for the U. S. Senate this year." Mr. Colegrove's dissatisfaction with the present Democratic setup in Erie county was expressed in a letter to County Chairman Owen M. Burns after the latter had appointed Mr. Colegrove to his advisory committee. The publisher took Mr. Burns to task for selecting him for the committee without first consulting with him. Mr. Colegrove demanded that Mr. Burns retract his name publicly from the committee.
